

Safety Data Sheet (SDS)

Section 1 Identification:

Product: Rice Syrup Solids

Trade Name (Item #):

28DE Rice Syrup Solids (28DERSSB), 42DE Rice Syrup Solids (42DERSSB), Organic 28DE Rice Syrup Solids (OG28DERSSB), and Organic 42DE Rice Syrup Solids (OG42DERSSB)

Manufacturer:

Suzanne's Specialties, Inc.
421 Jersey Ave
New Brunswick, NJ 08901
Phone: 800-762-2135
Fax: 732-828-8563

24-Hour Emergency Telephone Number
1-800-424-9300 (CHEMTREC)

Recommended Use:

Food Grade Rice Syrup Solids can be used in ice cream, drinks, yogurts, desserts, pharmacy, biscuits, sauces, bakery applications, snacks, fruit-based preparations, etc.

Section 2 Hazard(s) Identification:

In accordance with 29 CFR 1910.1200, the GHS classification requirements, no symbol(s), signal word or hazard statement(s) is assigned. No prevention, response, or storage statement (s) is needed according to the criteria. Dispose according to appropriate regulations. For additional information that is not covered by the GSH classification, please see the rest of the safety data sheet.

Section 3 Composition

CAS#	Component	Percent
N/A	Rice Syrup Solids	100%

Section 4 First-Aid Measures

Inhalation	If negative symptoms occur, remove from area of exposure and seek appropriate medical attention, if needed.
Skin	Remove any contaminated clothing. Wash effected area with soap and water. Seek appropriate medical attention, if needed.
Eyes	Flush eyes with water for 15 minutes. Remove contact lenses if able. Seek appropriate medical attention, if needed
Ingestion	If large volume is ingested, seek appropriate medical attention, if needed.

Symptoms (acute/delayed): No information on substantial negative effects

Section 5 Fire-Fighting Measures

Hazards: May be combustible at high temperatures

Suitable Extinguishing Equipment: Water or dry chemical

Unsuitable Extinguishing Equipment: High-pressure water streams

Protective Fire Equipment: Wear full firefighter protective gear, with a self-contained breathing apparatus (SCBA) to protect against any possible contact.

Section 6 Accidental Release Measures

See section 8 for appropriate personal protection equipment (PPE) needed

Small Spill: Contain the spilled material in a container for disposal. Clean residual spill with soap and water.

Large Spill: Contain the spilled material in a container for disposal. Clean residual spill with soap and water.

Section 7 Handling and Storage

Handling: Avoid contact with eyes and skin. Wear appropriate PPE, when needed. Wash any contact areas with soap and water after handling.

Storage: Store away from sunlight in a cool, dry environment under ambient conditions 10 to 27°C (50-80°F) with 70% max humidity.

Section 8 Exposure Controls and Personal Protection

Personal Protection Equipment (PPE):

Inhalation	Protection is not required under normal conditions of use
Skin	Protection is not required under normal conditions of use
Eyes	Wear protective goggles if eye contact is likely
Ingestion	Protection is not required under normal conditions of use

Engineering Controls: None needed, other than avoiding direct contact with material.

Exposure Limits: Not available

Section 9 Physical and Chemical Properties

State	Solid
Color	White, Beige
Taste	Typical
Odor	Typical
Odor Threshold	Not Available
Upper/lower flammability or explosive limits	Not Available
Vapor pressure	Not Available
pH	Not Available
Relative Density	Not Applicable
Melting Point	Not Applicable
Freezing Point	Not Available
Solubility	Not Available
Initial Boiling Point	Not Available
Boiling Point Range	Not Available
Flash Point	Not Available
Evaporation Rate	Not Available
Flammability	Not Available
Auto-ignition Temperature	Not Available
Decomposition Temperature	Not Available
Viscosity	Not Applicable

Section 10 Stability and Reactivity

Reactivity: No reactivity hazard is likely

Chemical Stability: This material is stable under normal conditions

Other: Avoid sources of ignition and contact with oxidizing materials. Will not polymerize.

Section 11 Toxicological Information

Possible Routes of Exposure:

Inhalation: No information available.

Ingestion: No information available.

Skin: No information available.

Eye Contact: No information available.

Immediate Effects: No information on substantial negative effects

Delayed Effects: No information on substantial negative effects

None of this products components are listed by Occupational Safety and Health Administration (OSHA), National Toxicology Program (NTP), and International Agency for Research on Cancer (IARC).

Section 12 Ecological Information

Toxicity: No information available.

Persistence and Degradability: No information available.

Bio accumulative Potential: No information available.

Mobility in Soil: No information available.

Other Adverse Effects: No information available.

Section 13 Disposal Information

Dispose product and container in accordance with local, regional, national, and/or international regulations

Section 14 Transport Information

US DOT (Department of Transportation): Not regulated as a hazardous material

ICAO (International Civil Aviation Organization): Not regulated as a hazardous material.

Section 15 Regulatory Information

U.S. Federal Regulation:

FDA: Classified as Generally Regarded as SAFE (GRAS)

U.S. State Regulations:

None of this product's components are listed on the state lists from CA, MA, MN, NJ or PA.

Not regulated under California Proposition 65

Canada Regulations:

WHMIS CLASSIFICATION: None

Section 16 Other Information

Last Revision Date: 06/09/2021

Issue Date: 06/09/2021

Doc# RSS036

Summary of Changes:

03/02/2016 – Version 0 – New MSDS

04/28/2021 – Version 1 – Added letter B to Item numbers

06/09/2021 -Version 2 – Preparation Date changed to Issue Date
